Fifth day of the festival
Viceport Port

A black
drisip?

Yes. There were
sightings of a black,
floating object going
over the mountain in
that direction.

It was probably
a cloud. Painting
ships black is
illegal, you know?

Hey! We need
to move these to
get it ready for
the auction! Stop
on it!

What the hell
is in here? Why
is it so heavy?

Alright...

Able in the Wind

Episode 4 • Tatarang

Story • Art

Shin Wool

Didam, look.

And in Kingdom's Vault, a cube with sides two finger lengths long, a defensive Dragon Artifact, made of the Labyrinth of the Ancients, unknown element, unknown risk, unknown contract requirements...

Doesn't this look like it?

yes...

Conclusion B:
Their name has been shortened

Ms. Kame
told me not to
talk to anyone
conclusively...

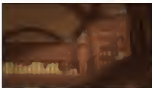

There's still three
days before Mr. Suen
comes back, right?

Should I go and
read a book...

Whoa You
scared me!

They're very kind.

and to top it off

they're beautiful

Ms. Penny

Where does this book go?

Those close are probably really expensive, yet you got dust on it AHHHHH!

No, no, I'll lend you some work clothes.

I don't really mind...

This book was written by a professor in the Old continent. It has tales told by the villagers during the expansion of the empire.

He was treated as a traitor and eventually executed here, but he was motivated by the happiness of the empire.

Those kinds of books need to go in the history section...

You must really love books.

Well of course.

but I like the idea of gaining knowledge.

Even if you scribbled something down on a rock or a piece of paper.

It's the fact that someone, somewhere will be passed down to the next generation, regardless of how it will be treated.

The real reason why books are important is because they contain knowledge.

Because they contain knowledge...

You want to threaten me with those papers?

What's really going on here is still pretty clear.

Do you know the professor?

It's a
small world

Do you know
Professor Porter's
son, Rani?

Ranpou,
Rani?

Yes!! The Professor
was quite the
beauty!

However, Ran-
pou's head is like
flor or flower;

surface flower equivalent of "tempo" or
someone on a higher level than you all

so he's
incredibly popular
in academia!

Though having
said that, he is not
a cold personality, so
everyone looks at
him from afar

Barber
But...

...doesn't know
how to treat people I
think. It's probably
not intentional!

Peek

He is really
bad at talking to
others, after all

I didn't think there would
be someone more beautiful
than Kira-sunbat

Come to think
of it, I've never seen or
heard from Kira

Come to think of it, I've never seen Katsuki talk to someone else.

Katsuki, Mr. Pines wants to ask you something.

What?

For a start...you
treat each other
really well.

but most importantly
that she treats you like a
princess, and looks after
you like it's your home
in a foreign country.

Umm...

Here...

Uhh... That is...
We have to stay
together, but we're not
going out, but uh...

They're
in their happy
time. Heheh.

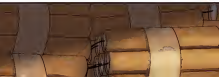

Penny! Help
me! I don't have
enough people!

OPENS

Are you a worker, too?
Come and help our work!

Wash

Get ready...

Don't get
caught...

O Linaria,

make thy way,

and free these innocents
